**SUBJECT: Pre-Demolition Asbestos Survey Certification
1 Joy Place/Bracket Street
Portland, Maine**

Dear Mr. Alexander:

Per your request, Credere Associates, LLC has prepared this letter to certify that Credere has completed a pre-demolition asbestos-containing materials (ACM) survey of the buildings located at 1 Joy Place in Portland, Maine, on June 23, 2014. With respect to the conditions and limitations included in the report, Credere did not identify any materials within or on the buildings at the property that meet the definition of an ACM as specified in Maine Department of Environmental Protection (DEP) Chapter 425 Asbestos Management Regulations.

Sincerely,
Credere Associates, LLC
