REGARDING 63-65 GRAY ST

Dear Mr. Wallace  
Regarding the telephone conversation  
with you on 12/17/08. I have spoke  
to Scott True recently and he  
believes the wrong notice was sent  
to me. The only two violations that  
he remembers to my building was  
some items on the exterior fire  
escapes and a hole in the ceiling  
at 63 Gray st front hall. I  
will notify tenants of removing  
any of their items from the  
fire escape and repair the hole  
in the ceiling the week of 1/12/09

Sincerely

Dan D. Matteo
