Good Afternoon,

Please send pictures of fire door hardware for 115 Brackett. Once received I will contact the captain to verify that the work is sufficient and that no reinspection is necessary.

Thank you,

Hi Katharine,

Here are the photos of the door & self closing hardware (115 Bracket, Unit 3). I'll stand by to find out if a re-inspection will be needed.

Many thanks.

Eric

Do these pictures pass for reinspection? The new owner has take responsibility for the old violations. If so, could you confirm and close the violation in UI?

Thank you!
Katharine

Ok, the other condo units were written up for not having fire doors when the company went on a reinspect.

When the other units are reinspected, the door can be further inspected. I'll close the complaint, could you close the violation?

Thanks!
