7/24/12

To whom it may concern:

MPA HAS PERFORMED emergency stabilization  
of the chimney located @ 27 Deering Street  
in Portland, Maine. MPA HAS removed  
loose brick and squared off the chimney  
to a point at which sound material and  
bond strength was encountered. This is  
stabilized for now and will need total  
reconstruction in the near future.

Signed, Peter B. Chavonelle Jr.  
President.
