Yes, sorry about that. No need for a TCO. I'm not worried about them finishing the project--I've been in regular communication with him.

Hi Deb,

Jarred is at 201 State St. Is that the project you are referring to?  
I can issue a TCO and he will pay an additional \$75.

Don:

I got a call from Jared Hartley regarding your final inspection of their work for purposes of signing off on the occupancy permit. This is to let you know that I am comfortable with approving their occupancy permit. If you want to place a condition of approval on the permit, I would stipulate that the final exterior work is to be completed within 4 months of the date of issuance.

Give me a call if you have questions.

Deb
