Please join us, meet your City Councilors and neighbors, and participate in the discussion.

The City provides reasonable accommodations to qualified individuals with disabilities upon request. Questions and complaints about discrimination in any area of the City's operations should be directed to Rachel Talbot Ross, Affirmative Action Officer, 389 Congress Street, Portland, Maine 04101, 207-874-8689 / 207-874-8936 TTY.

In the City of Portland HCD or Housing and Community Development is a combination of two grants from the U. S. Department of Housing and Urban Development: the Community Development Block Grant (CDBG) and HOME Grant. These funds can be used for neighborhood revitalization, economic development, creating suitable living environments, providing decent housing, home ownership assistance, and improving community facilities and services. Here in Portland funding has traditionally funded sidewalk improvements, parks, housing rehabilitation, home ownership assistance, and public services. For more information, call 756-8246 or visit the city's website at www.portlandmaine.gov.
