Travis, this property is not a single or two family; it's considered a multifamily or commercial because it's a condo. Therefore, it cannot be fast tracked under what you checked off. I checked with Jeanie Bourke, one of our plan reviewers, and she stated she would OK fast tracking this based on the project description and that work only.

Here is another attempt at the fast track application.

Thank you

The attached is an application for a permit to replace a failing beam and insufficient posts on the left side porch of 12 Deering st. I have spoken with Rob Wiener about the historical aspects of the project and have the verbal go ahead from him.
