Download a new copy of this document from	
www.portlandmaine.gov/fire for every submittal. Attach all working	
documents as required on electronic PDF's in <u>addition</u> to	
full sized plans.	

Submit all information to the Building Inspections Department, 389 Congress Street, Room 315, Portland, Maine 04101. Prior to acceptance of any fire protection system, a complete commissioning and acceptance test must be coordinated with all fire system contractors and the Fire Department, and proper documentation of such test(s) provided. All installation(s) must comply with NFPA and the Fire Department Technical Standard(s).
