**HISTORIC PRESERVATION  
APPLICATION FOR CERTIFICATE OF APPROPRIATENESS**

Pursuant to review under the City of Portland's Historic Preservation Ordinance (Chapter 14, Article IX of the Portland City Code), application is hereby made for a Certificate of Appropriateness for the following work on the specified historic property:

**PROJECT ADDRESS:**

609 Congress Street / Portland, ME 04101

**CHART/BLOCK/LOT:** \_\_\_\_\_ (for staff use only)

**PROJECT DESCRIPTION:** Describe below each major component of your project. Describe how the proposed work will impact existing architectural features and/or building materials. If more space is needed, continue on a separate page. Attach drawings, photographs and/or specifications as necessary to fully illustrate your project—see following page for suggested attachments.

The proposed work provides for the restoration of the State Theater Entry Marquee and

signage to restore it to the general appearance during the 1930's. This entails minor re-

inforcement of the existing structure, as well as replacement of the gutter to be re-flashed into

the existing masonry facade. The existing support chains and coins will be re-furbished and

the entire marquee will be re-faced with a painted MDO panel. New, energy efficient, LED light

signage and lettering will be fabricated and installed to resemble those historically existing.

Please see submitted drawings D100, A100 and A200 as well as the supplemental materials

board.
