Signage /Awning Permit Application Checklist

All of the following information shall be submitted:

- Signage/Awning Permit Application form
- Certificate of Liability listing the City as an additional insured if any portion of the sign abuts or encroaches on any public right of way, or can fall into any public right of way.
- A copy of the signed lease or letter of permission from the property owner indicating the specific permissions granted and the tenant/space building frontage.
- A plan showing the specific locations of all existing and proposed signs:
 - o For freestanding signs: the plan shall depict lot lines, buildings, driveways, abutting streets or rights of way, lengths of street frontages, and setbacks from freestanding signs to the nearest lot line.
 - o For all other signs and awnings: the plan shall depict buildings, driveways, abutting streets or rights of way, and building façade dimensions. Photos or other documentation similar to a drawn plan are acceptable, provided that all required information is included.
- A drawing or photo of the proposed sign showing content, all dimensions, materials, source of illumination, details of anchoring and installation (e.g., attachment specifications, footing details for freestanding signs, etc.).
- Certificate of flammability is required for awnings, canopies or banners.
- A UL Classification Mark, found on the product, is required for illuminated signs at the time of final inspection.
- Photos of existing signage.
