Subject: 3 Deering Ave permit application

Amina,

We will need a floor plan showing how you will be changing the restaurant into a retail market. The plans you submitted only shows what was there. You haven't shown how you will change the layout. Are you removing the kitchen and tables and will there be shelving for your market. Your plans need to show how you will fit out the area for your use. Your permit will be on hold until the required floor plans are submitted.

thank you,

Marge Schmuckal
Zoning Administrator
