PROJECT TILE: BP.2016-00662 #757 Congress St First Floor Renovation Plans

Request for Building Permit to complete 1st floor living space of 26' 3 " X 23' 2" into 2 bedrooms to be accounted with current upstairs unit.

All interior wall framing to be 16" OC. Egress windows within each bedroom will not exceed the hight from floor of 40". Electrical and Plumbing will pull there own separate permits.

The Second floor is current and will require no changes.

With regards to IRC Section R303.1 and .3 -Revised sketch property shows current windows already in place and doors to be added allowing natural ventilation to take place.

The Plumber will install proper ventilation and relieve excess moisture to exterior vent currently in place in eve of overhanging bay from second floor.
