Other buildings on same lot garage

Estimated cost \$ 275. Fee \$.75

Description of Present Building to be Altered

Material brick No. stories 2 Heat _____ Style of roof _____ Roofing _____

Last use dwelling house No. families 1

General Description of New Work

To construct certain non-bearing partitions and to lower the ceilings in the first story to provide several suites of doctors' offices - all partitions to have no less than 2x3 studs not more than 16" on centers, plastered on both sides.

The second story is to be used exclusively for a single apartment with the possible exception that one of the bath rooms will be used for toilet facilities in connection with the office in the first story.

The owner agrees for himself, his heirs and assigns, that the third floor will not be used for any purpose whatever other than storage exclusively unless and until a permit for such use is secured and all requirements of the law pertaining to the use then proposed for the entire building are complied with.

Approved Sustained conditionally 7/2/41

It is understood that this permit does not include installation of heating apparatus which is to be taken out separately by and in the name of the heating contractor.
