SYNTHETIC LAWN:
 Turf Master Bronze by The New England Turf Store, 5 Fulton Street, Suite 106, Canton, MA 02021
 Reference Landscape Details for site preparation & Installation instructions.

PLANTING NOTES:

- All materials shall conform to the guidelines established by the American Association of Nurserymen.
- In the case of any discrepancies between species and quantities called out in the planting key and those shown on the plan, quantities and species shown on the plan shall over-ride.
- All planting shall be done in accordance with acceptable horticultural practices.
- All plants subject to approval by landscape architect. All substitutions must be submitted for approval by landscape architect prior to ordering or delivery of plant material on site. Landscape architect reserves the right to reject any plantings that do not conform to the drawings or specifications outlined herein.
- Landscape architect shall approve final placement of all plant materials and reserves the right to make field adjustments to plantings as necessary.
- Planting soils shall comply with the Specifications.
- No plant shall be put into the ground before rough grading has been finished and approved by the landscape architect or owner's representative.
- All plants shall be set plumb unless otherwise specified.
- Contractor shall maintain and warranty plantings in compliance with the written Specifications.
- The Contractor shall assume responsibility to ensure that all work is performed in compliance with all State and Local requirements.
