Barbara - Please find attached as site plan for 218 State illustrating the changes in the portion of the site that will have work done. At present the entire area is impervious surface. Upon completion, a portion of the area will be grass.

Thanks, John

Hello Drew:

Thank you for submitting the applications. Could you also include a site plan that depicts the proposed changes to the site. I understand that for the State Street project the impervious surface area will be reduced. I would like that to be clearly shown on the plans.

I have asked our Office Manager to upload the two applications into our system.

Thank you.

Barbara

Hi Barbara,

Please find the completed Administrative Authorization Applications for 77 Pine (Butler) and 218 State (Payson) attached.

I will deliver a check for both tomorrow.

Thank you,

**Drew Wing**
