Ann -

I have started my zoning review for the permit but I need more information before I can sign off.

I need to know which wall of the building the sign is going on. I also need to know if there is already a sign on the wall where this sign is going. Finally I need to know the dimensions of the wall (length and height) because a sign can only cover 5% of the wall.

Please send this information directly to me.

Thank you.

Ann

Ann,

The wall facing the parking lot on the corner of Deering and Park Avenue. There was a sign in the same location that was taken down for the new siding that was just added (the old sign is still onsite). I am getting the measurements of the wall and will send them over on Monday am.

Thank you for your help.

Have a nice weekend,

Ann
