# MUNCHKIN

STAINLESS STEEL HIGH EFFICIENCY BOILER

## Opening the Door to the 21st Century in High Performance Heating Equipment

This is one of the most compact and efficient heaters available on the market today. Each Munchkin heater will modulate its firing rate to match the actual energy requirements. This feature provides additional savings versus traditional single firing heaters. With stainless steel construction, you can be assured that you are buying the highest quality appliance.

**Proven European technology, manufactured in the United States.**

Quiet operation is just another benefit that comes with the Munchkin heater.
