Re: 123 and 131 Street Inspection

Dear Mr. Magnuson.

This letter is to advise you we are working on the items listed on your inspections on June 20th, 2011. With regards to 131 Sherman, you did the basement inspection with Justin the day after battling the fire at 123 Sherman Street. With regards to 123 Sherman, we are about half way through the reconstruction. Obviously there will be a new fire alarm system, knox box, new lighting, fire doors, and self closing magnetic hallway doors.

If you need to get in and see any of the repairs please give us a call and we will be happy to meet you at the building.

Sincerely,

William P. Simpson
