Re: 75 Sherman Street, Portland, ME

Dear Lieutenant Magnuson:

As a follow up to our response on behalf of City National Bank (CNB) to your letter dated April 11, 2012 regarding the above-referenced property, it is our understanding that CNB's property manager has been in touch with your office and has arranged to provide access, on May 7, 2012 at 9:45 a.m., to the remaining portions of the building that had been inaccessible to you during the prior inspection.

We also understand that Violations 2 and 3 have been remedied, and that you have expressed a willingness to grant additional time to remedy Violation No. 1, by replacement of the doors, which must be ordered. We understand that the property manager is currently obtaining pricing for the replacement doors to be reviewed by CNB, and we expect that a plan should be in place to remedy Violation No. 1 shortly.

Thank you for your cooperation and patience in this regard.

Sincerely,

Mary Kathryn Hawkins, Esq.
