Building Inspections
City of Portland
389 Congress Street, 3rd floor
Portland Maine 04101

Please find attached a permit application for the property located at 108 Sherman Street. This is an installation of an addressable fire alarm being installed in an existing occupied 8 unit building. This building is not sprinkled. We are proposing to install a Honeywell Vista system utilizing a combination of hard wired and wireless devices.

Thank you,

Michelle Perkins, Operations Manager
