Mrs. P. B. Quincannon,
19 Deering Ave.

Dear Mrs. Quincannon & Gentlemen:

Permit for installation of this equipment is issued to the
installer, herewith subject to the following:

The statement on application that the wooden floor in basement where tank
is to set will be removed and a concrete slab used to support the tank—is
taken to mean that the concrete slab will extend down to a good support
~~under~~ the original ground under the floor, (not on filled material) and that
the supports will be so arranged as to avoid settlement of tank.

Very truly yours,

Warren McDonald
