Geoff,

The Public Assembly Facilities Division of the City of Portland approves your request to erect a 40' x 60' pole tent in the lower parking lot at Hadlock Field. We understand the reason for usage relates to your Mother's Day Road Race on May 11th and also for an event scheduled for May 16th. The tent would be erected on May 9th and remain in place until May 19th.

Our approval should assist with the permitting process, and we wish you the best of luck with your scheduled events.

Please let me know if you have any questions or need any assistance.

All the best,

Andrew J. Downs
