Re: 206 Deering Avenue

Dear Ms. Peters:

Your application to construct a new porch to replace an old porch has been reviewed and a permit is herewith issued subject to the following requirements:

1. All guards shall be at least 42 inches in height measured vertically above the leading edge of the tread or adjacent walking surface of deck.
2. Open guards shall have ballusters or other construction such that a sphere with a diameter of 4 inches cannot pass through any opening.
3. All handrails shall not be less than 34 inches or more than 38 inches in height.

If you have any questions regarding these requirements, please do not hesitate to contact this office.

Sincerely,

P. Samuel Hoffses
Chief of Inspection Services
