We received your payment; thank you.

Now that payment has been made, the permit will begin the review process. Once the permit has been issued, it will be delivered to the e-mail address on record. You can review permit status on line: <http://www.portlandmaine.gov/792/Permit-Status> (Please reference the address or Permit ID # notated on the invoice.)

This is not an approval of your permit. Work cannot commence until the permit is issued.
