1. This permit application doesn't preclude the Applicant(s) from meeting applicable State and Federal rules.

2. Building permits do not include plumbing, septic or electrical work.

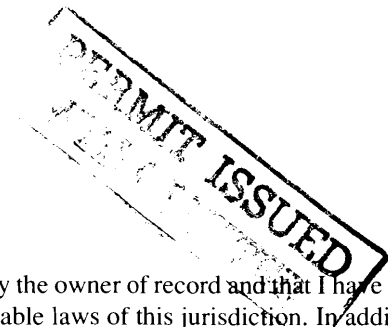

3. Building permits are void if work is not started within six (6) months of the date of issuance. False information may invalidate a building permit and stop all work..

CERTIFICATION

I hereby certify that I am the owner of record of the named property, or that the proposed work is authorized by the owner of record and that I have been authorized by the owner to make this application as his authorized agent and I agree to conform to all applicable laws of this jurisdiction. In addition, if a permit for work described in the application issued, I certify that the code official's authorized representative shall have the authority to enter all areas covered by such permit at any reasonable hour to enforce the provisions of the code(s) applicable to such permit

RE: 231 Park Avenue

Dear Sir,

Your application to erect a 3-D Sign 160 Sq.Ft. has been reviewed and a permit is herewith subject to the following requirements: This permit does not excuse the applicant from meeting applicable State and Federal laws.

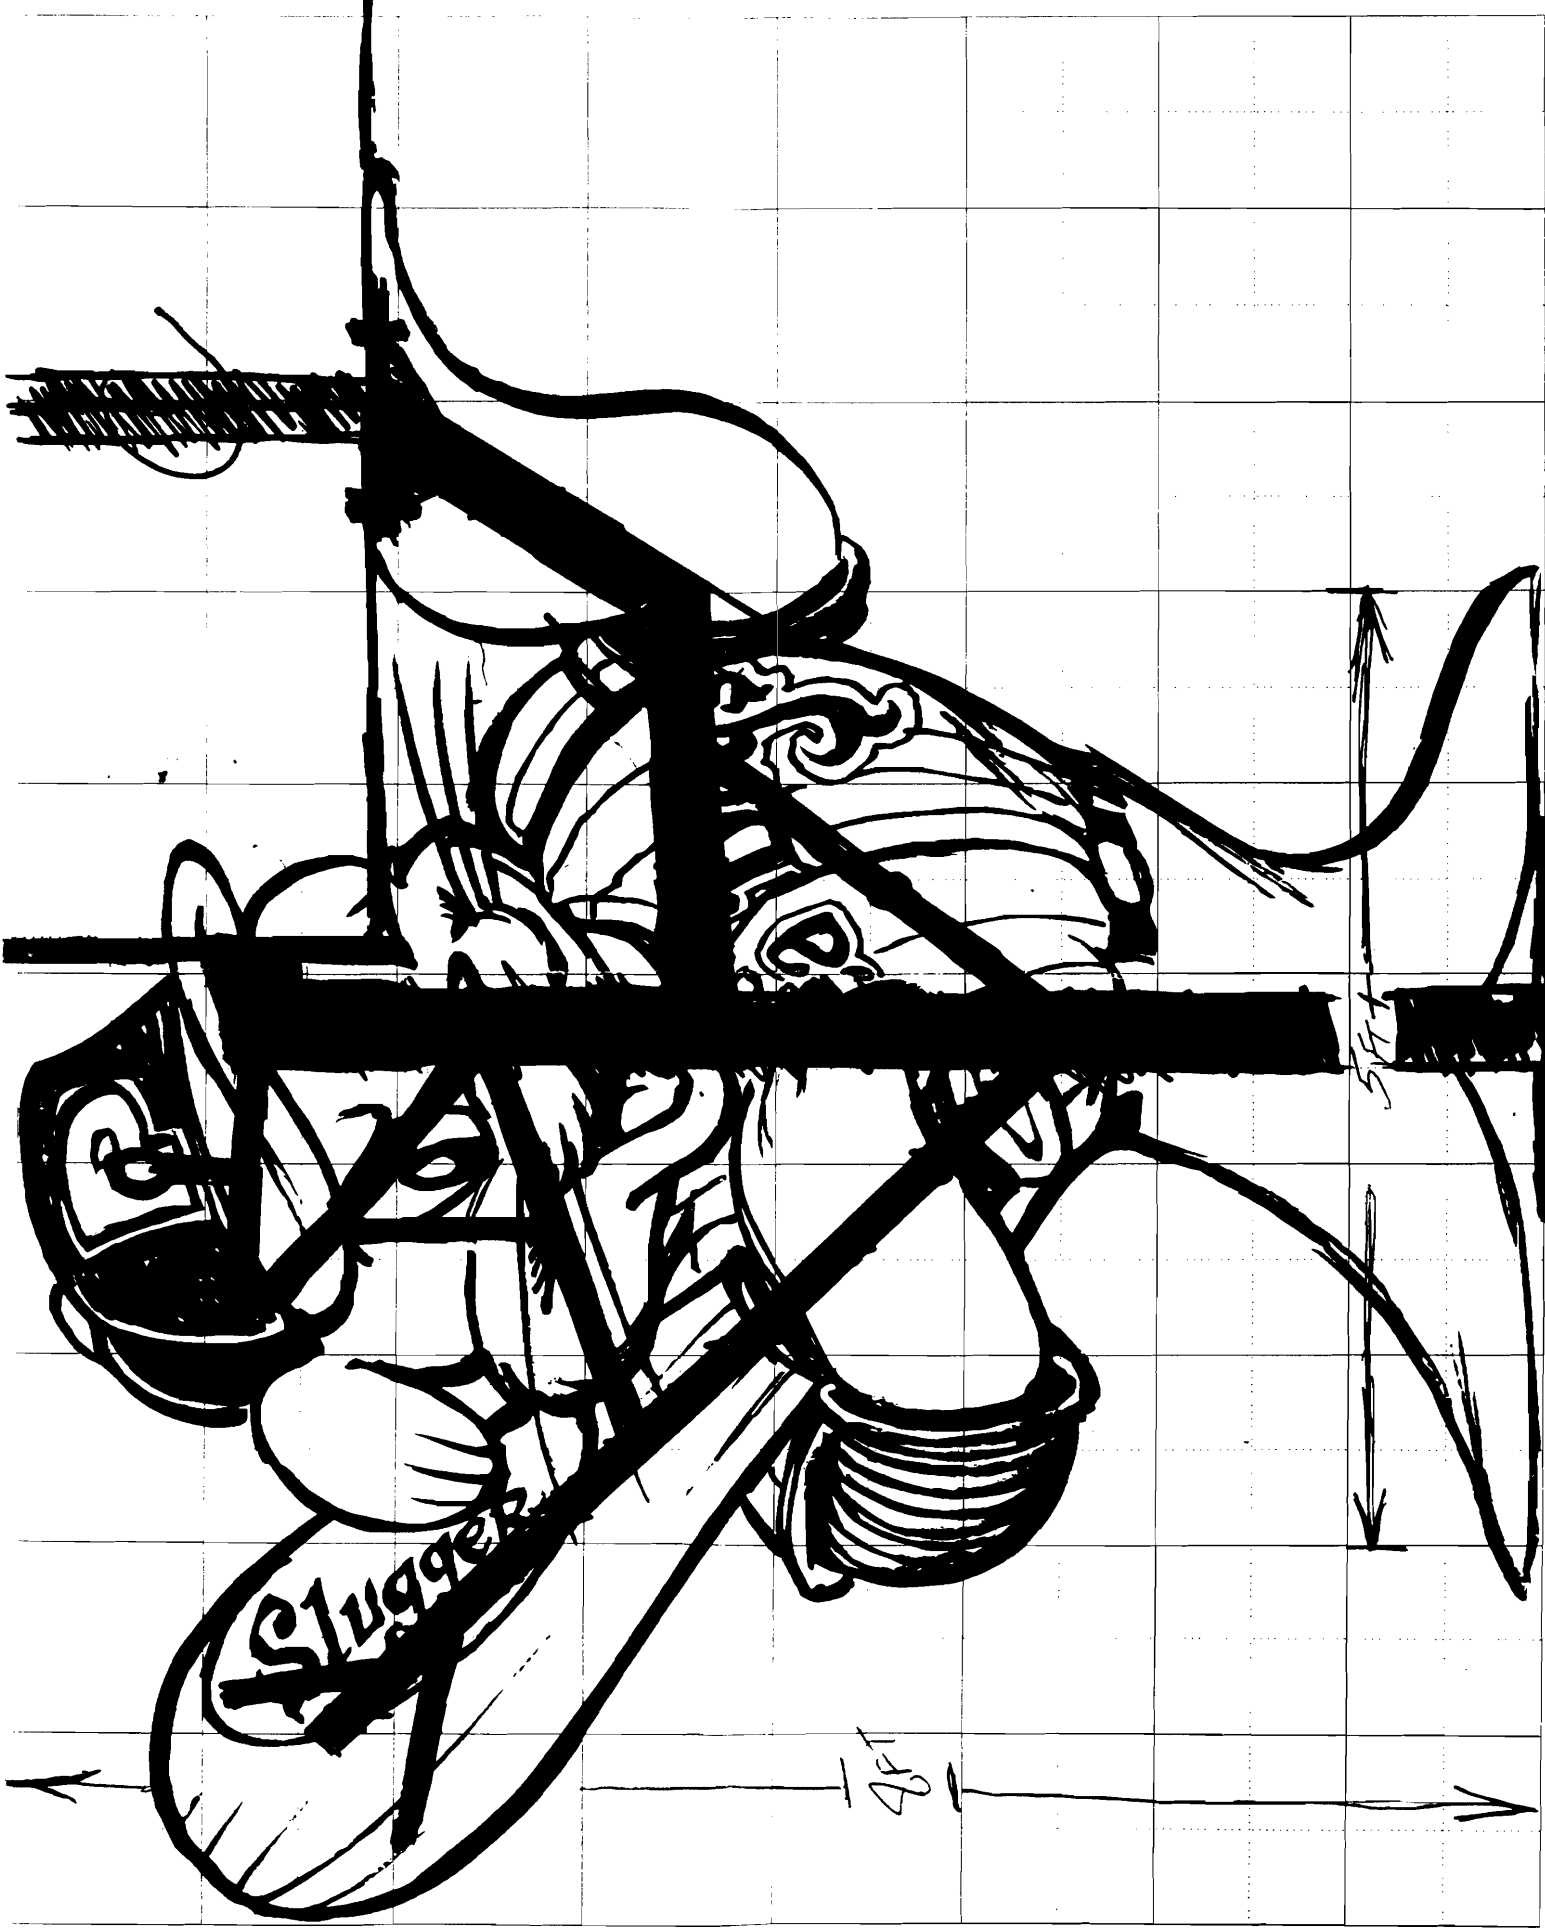

1. The base to be round constructed in granite and extend no higher than 8" above grade.
2. The final placement to be reviewed and approved by planning staff

If you have any questions regarding these requirements, please do not hesitate to contact this office.

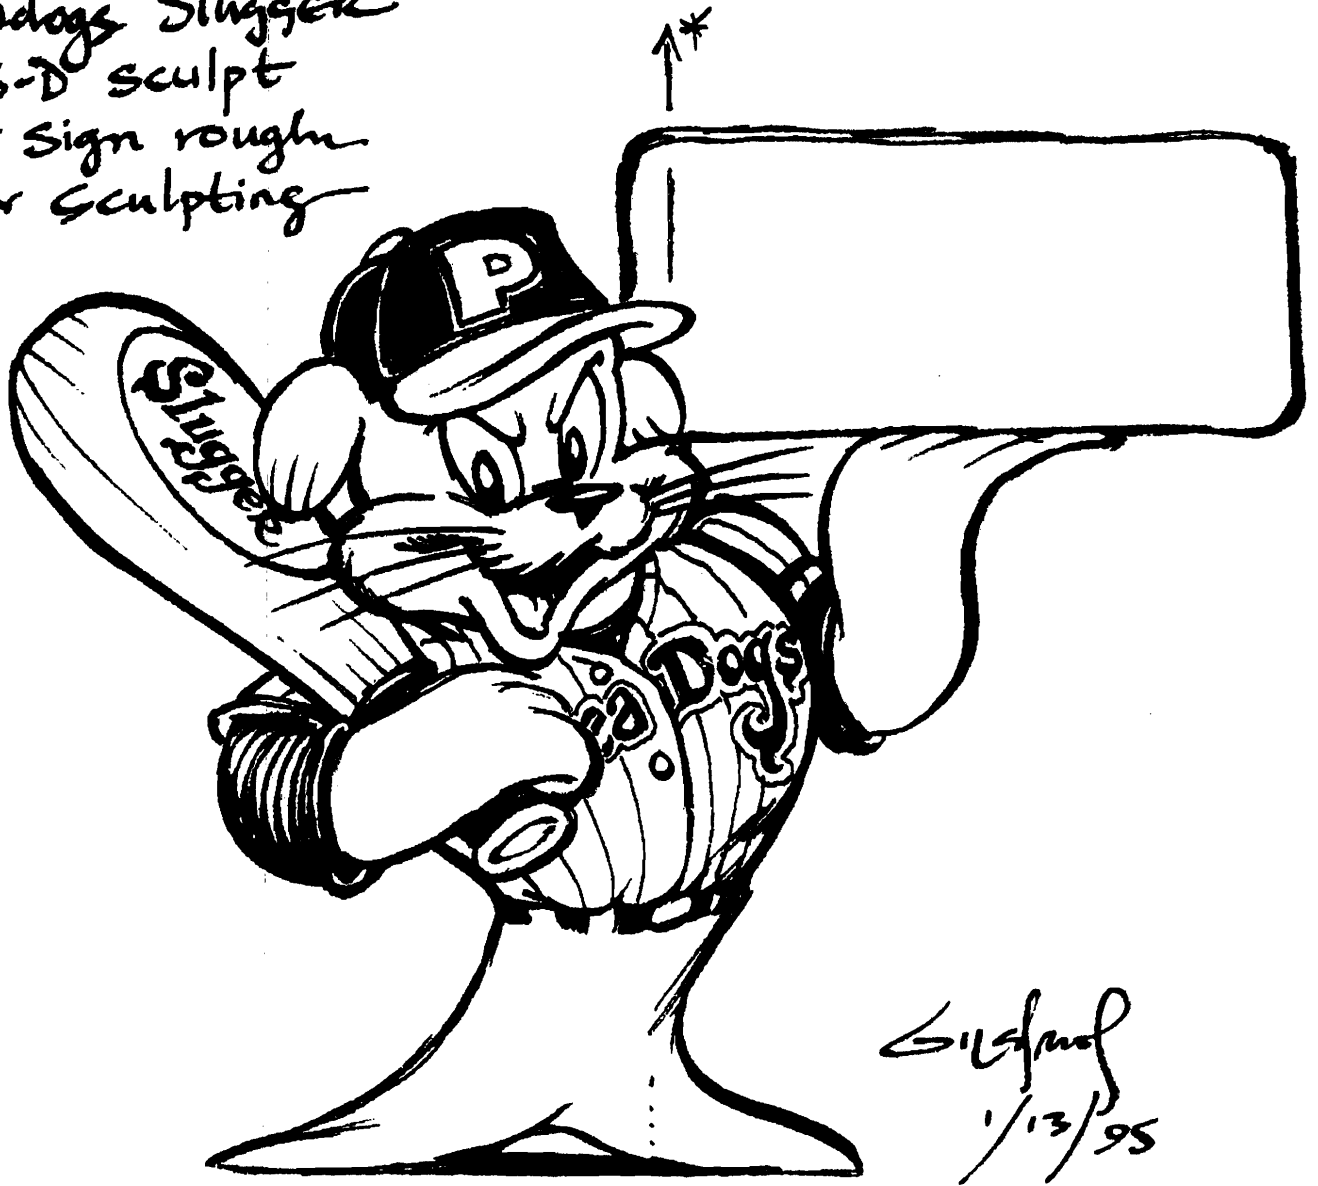

Sincerely,

P. Samuel Hoffses
Chief of Inspection Services
