Dear Sir:

Your application to enclose bleachers/install doors has been reviewed and a permit is herewith issued subject to the following requirements: This permit does not excuse the applicant from meeting applicable State and Federal laws.

1. This permit is being issued with the understanding that a design engineer or architect shall submit to this office details of design and data on the proposed enclosure stating its effect on the existing structure.
2. During the installation of the metal siding, care must be taken in not removing any structural members from the bleachers, and to secure properly all structural members that has to be temporarily removed for this installation.
3. No storage is allowed under the bleachers.

If you have any questions regarding these requirements, please do not hesitate to contact this office.

Sincerely,

P. Samuel Hoffses
Chief of Inspection Services
