I cannot believe the city is being so criminal in putting a toilet in your cellar..? I read your last email and that toilet is being ripped out where Ill go to my neighbors if I have to go to the toilet in the future...I did pay for the building permit...The toilet will be ripped out within a few days I hope...Its all up to Dan..my helper...I'll have him take pictures before and after in taking out that toilet....Please tell me if anything else has got ti be done.....I still cannot believe the troubles I've experienced because of a toilet....It's being ripped out...and covered...George Libby
