Dear Mike Farley & Gabriel Redmond,

POSTING NOTICE

An evaluation of the above-referenced property on 11/12/2010 revealed that the structure fails to comply with Section 6-120.1 of the Housing Code of the City of Portland.

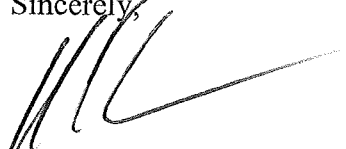

Attached is a list of the violations.

Based on that list, and pursuant to Section 6-120.3, this office declares the dwelling unit is unfit for human habitation. A re-inspection of the premises will occur on 11/19/2010, at which time the dwelling unit must be totally vacated and secured from vandalism.

Failure to comply will result in this office referring the matter to the City of Portland Corporation Counsel for legal action and possible civil penalties, as provided for in Section 1-15 of the Code in Title 30-A of M.R.S.A ss 4452.

This constitutes an appealable decision pursuant to Section 6-127 of the Code. Please feel free to contact me if you have any questions or would like to discuss this matter further.

Sincerely,

Nicholas Adams

 (c) Properties which, because of their general condition, state of the premises, number of occupants, or location, are so unsanitary, unsafe, overcrowded or otherwise dangerous or detrimental that they create a serious menace to the occupants or the public;

Comments: Went to site with Keith and Brian. The front stairs have not been fixed, there is still trash throughout the property. The building is plain not safe for occupancy. The second and third floors are the safest in the building. Since Mike has not called me back, we can not gain entry. The entire building does not have working smoke and CO alarms inside the dwelling units. My recommendation is to post the entire first floor immediately and if we can not gain entry and the front steps are not repaired I would recommend posting the entire building. NLA
