Based on supplementary information Chris Chop sent in June, I consider the Bike Parking condition to be met - see attached. You were sent this as well by Chris.

Hi Bruce

On Friday I am going to try and tidy up re the outstanding conditions on the MCC East Tower/Visitors Garage. I had mentioned to Al Green that I didn't think the bicycle condition has been met and he sent the attached. Hopefully I can catch up with you in the next few days on this and re the ROW lights.

thanks  
Jean
