Hello Al,

I am writing to confirm that your e-mail of July 29, 2019 and attached 9 page set of plans and documents (as attached) meets Condition xiii of the approval letter for #2017-289.

I would note that there are three other conditions that my records indicate are not yet addressed (conditions i., xi, and xii); as I have been out of the office on medical leave recently I may not be up to date and will check with colleagues on these over the next few days.

thank you
Jean

“That the final parking layout of the Visitors Garage shall meet the City’s Technical Manual Standards and all applicable State and Federal standards regarding handicap accessibility;”

Please confirm that this submission fulfills the above stated condition.

Thank you,
