**AMENDMENT TO CITY CODE
SEC. 14-49 (ZONING MAP AMENDMENT)
RE: CONDITIONAL REZONING FOR PROPERTY
IN VICINITY OF WESTERN PROMENADE/ MAINE MEDICAL CENTER**

ORDERED, that the Zoning Map of the City of Portland, dated December 2000 as amended and on file in the Department of Planning & Development, and incorporated by reference into the Zoning Ordinance by Sec. 14-49 of the Portland City Code, is hereby amended to reflect a conditional rezoning as detailed below:

**CONDITIONAL ZONE AGREEMENT
MAINE MEDICAL CENTER**

AGREEMENT made this ____ day of _____, 2005, by **MAINE MEDICAL CENTER**, a Maine corporation with a principal place of business located in the City of Portland, County of Cumberland and State of Maine, its successors and assigns ("MMC").

WITNESSETH:

WHEREAS, MMC is the owner of land and buildings located in Portland at Map 53, Block D, Lots 1, 2 and 7; Map 53, Block E, Lots 1, 2, 10 and 13; Map 53, Block G, Lots 1 and 13; Map 54, Block H, Lot 1; and Map 64, Block C, Lots 1 and 2; and Map 55, Block B, Lot 13 (the "**PROPERTY**"); and

WHEREAS, MMC is the largest provider of obstetrical services in Maine and provides the only statewide fulltime maternal fetal medicine service serving women and newborns at high risk and **MMC** has the only Level III neonatal intensive care unit in Maine; and

Given 1st reading: 2/23/05 Postponed on 3/7/05
Public Hearing & postponed on 4/4/05
Amended & Passage: 4/25/05 9-0

WHEREAS, in order to respond to the changing professional and clinical standards for the care of sick infants within the neonatal intensive care unit and to meet the spatial requirements of today's routine and high risk obstetrical and newborn care, MMC must build an addition comprised of 192,000 square feet (the "Charles Street Addition"); and

WHEREAS, MMC proposes to construct the Charles Street Addition by expanding vertically, on the site of an existing medical building bounded generally by Charles Street, Wescott Street, Ellsworth Street and Crescent Street; and

WHEREAS, in order to avoid a substantial expansion of the footprint of the buildings at MMC and, instead, to construct the Charles Street Addition by vertical expansion, it is necessary to modify the otherwise applicable height requirement in the R-6 Zone; and

WHEREAS, in order to accommodate the needs of the Charles Street Addition and to improve parking and traffic circulation on the MMC campus, MMC proposes to construct a new 512 car capacity parking garage along Congress Street (the "New Parking Garage"); and

WHEREAS, in order to achieve the requisite parking capacity within the available space, MMC needs to build the New Parking Garage at a height taller than the currently applicable height limit in the R-6 Zone and also to locate the New Parking Garage closer to Congress Street than the currently applicable setback requirement in the R-6 zone; and

WHEREAS, in order reduce transport time for critical patients coming to MMC's emergency department, MMC proposes to construct a helicopter landing pad on top of the existing parking garage which fronts on Congress Street (the "Helicopter Landing Pad" also occasionally referred to as "Heliport or Helistop"); and

WHEREAS, in order to replace currently fragmented heating and cooling systems throughout its campus, MMC intends to construct a central utility plant, built into the hillside between the hospital and Gilman Street (the “Central Utility Plant”); and

WHEREAS, the Central Utility Plant will be built at a proposed height of 45 feet but is also designed to accommodate a future vertical expansion of two additional floors, with a maximum future height of 70 feet; and

WHEREAS, MMC currently has operating rooms, intensive care beds, and adult and pediatric beds in an existing building constructed in 1985 (expanded in 1998) and referred to as the “L. L. Bean Wing;” and

WHEREAS, MMC has no current construction plans for the L. L. Bean Wing, but anticipates that the L. L. Bean Wing will need to be expanded vertically at some time within the next decade; and

WHEREAS, the L. L. Bean Wing was designed structurally to accommodate such vertical expansion by an additional two stories; and

WHEREAS, MMC desires to provide for such eventual vertical expansion within this Agreement; and additional vertical expansions, except as noted below, are not included within the scope of this Contract and will be subject to negotiation and approval in the future, when presented; and

WHEREAS, by expanding vertically for the Charles Street Addition rather than horizontally, MMC will need to remove only two residential buildings, and will do so in full compliance with the housing replacement requirements of section 14-483 of the Portland Code of Ordinances; and

WHEREAS, in addition to such required replacement, MMC will divest itself of ownership of nine other buildings (two on Crescent Street, two on Ellsworth Street, one on Hill Street and four on Bramhall Street), enabling others to return them to residential use; and

WHEREAS, MMC has requested a rezoning of the **PROPERTY** in order to permit the above-described improvements; and

WHEREAS, the **CITY** by and through its Planning Board, pursuant to 30-A M.R.S.A. §4352(8) and Portland City Code §14-60, *et seq.*, and §14-315.3, after notice and hearing and due deliberation thereon, recommended the rezoning of the **PROPERTY** as aforesaid, subject, however, to certain conditions more specifically set forth below; and

WHEREAS, the **CITY** has determined that because of the unique circumstances of the location of an urban medical center campus in close proximity to historic and densely populated neighborhoods within the R-6 Zone, and in order to balance the interests of MMC and its residential neighbors, it is necessary and appropriate to impose the following conditions and restrictions in order to ensure that the rezoning is consistent with the City's Comprehensive Plan; and

WHEREAS, on April 25, 2005, the **CITY** authorized the amendment to its Zoning Map based upon the terms and conditions contained within this Agreement, which terms and conditions become part of the zoning requirements for the **PROPERTY**;

NOW THEREFORE, in consideration of the rezoning, MMC covenants and agrees as follows:

1. MMC will restrict any further expansion of its uses¹ in the Western Prom/ Parkside/ Gilman Street neighborhoods to the property specifically included in the following defined Campus²:

(a) The main campus, bounded by the north side of Bramhall Street, the western side of Wescott Street, a portion of the northern side of Crescent Street terminating with the proposed end of the new garage, and the south side of Congress Street between the existing and proposed new garage, and the eastern side of Gilman Street;

(b) The existing medical office building located on Congress Street across from the main campus;

(c) The Vaughn Street parking lot and McGeachey Hall;

(d) The existing West Street Medical Office Building located behind the row houses at the eastern end of West Street (CBL 55-B-13);

(e) The block bounded on Congress Street, Gilman Street, Valley Street and A Street.

1-2. The following exhibits are incorporated into and made a part of this Agreement:

Exhibit A: Helistop Overlay Zone Map

Exhibit B: Site Plan

1. Sheet C050: Campus Plan, Revision date: 9/16/04
2. Sheet C100: Site Plan, Revision date: 9/16/04
3. Sheet C101: Site Plan, Revision date: 9/16/04
4. Sheet C102: Site Plan, Revision date: 9/16/04
5. Sheet C103: Site Plan, Revision date: 9/16/04
6. Sheet C400: Landscape Plan, Revision date: 9/16/04
7. Sheet C401: Landscape Plan, Revision date: 9/16/04
8. Sheet C402: Landscape Plan, Revision date: 9/16/04

¹ "Future expansion of its uses" shall mean new construction of building(s) and or conversion of existing uses (including residential uses) into hospital related uses and the like. It shall not mean the occupancy of an existing building which contains a legally conforming medical related use.

² This provision shall not prohibit MMC from expanding or building in other areas of the City if permitted by zoning.

3. 2. The CITY shall amend the Zoning Map of the City of Portland, dated December 2000, as amended from time to time and on file in the Department of Planning and Urban Development, and incorporated by reference into the Zoning Ordinance by Portland City Code §14-49, by adopting the map change amendment below, which map change includes a Helistop Overlay Zone as more particularly depicted on Exhibit A.

**Proposed Rezoning for Maine Medical Center
from R6 & B2 to Conditional
with Helistop Overlay Zone**

January 2005

100 0 100 200 Feet

Map prepared by the City of Portland's Department of Planning & Development and the GIS Workgroup

4. 3. The **PROPERTY** and site improvements shall be developed and operated substantially in accordance with the site plan shown on Exhibit B (the "Site Plan"), which Site Plan includes but is not limited to street layouts, landscaping, and building elevation drawings for initial construction, subject to the approval of the Site Plan by the City's Planning Board in compliance with the requirements of Chapter 14, Article V. The architectural treatment of the façade of the New Parking Garage may be revised during site plan review and shall meet the site plan standards of 14-526(16). Amendments to the Site Plan for the purpose of constructing any of the future expansions described in section 6(b) of this Agreement and within the height limits specified in section 6(b) may be approved by the Planning Board under Chapter 14, Article V, without the need for amendment of this Agreement or further approval by the City Council. Minor revisions to the Site Plan in the nature of field adjustments may be approved by the Planning Authority, without the need for amendment of this Agreement or further approval by the City Council.

5. 4. No building permits shall be issued unless and until MMC receives conditional use approval pursuant to section 14-474 (Expansion of Institutional Use) and section 14-483 (Housing Replacement), site plan approval pursuant to section 14-483(e) of the City Code, approval under the Site Location of Development Act and an MDOT traffic movement permit, if required. No occupancy of the newly constructed buildings shall be permitted unless and until all site plan conditions of approval have been satisfied and the City Council has taken final action on the street discontinuances and street acceptances required for the realignment of certain streets, as shown on the Site Plan (Exhibit B).

6. 5. MMC shall provide to the CITY a performance guarantee covering all required site improvements under section 14-525(j) of the City Code and the two replacement dwelling units provided under paragraph 6(d) of this Agreement.

7. 6. The PROPERTY shall be governed by the zoning provisions, as such may be amended from time to time, applicable in the zoning districts underlying the Conditional Zone except as follows:

(a) ~~Height Limits—Initial Construction.~~ The maximum structure height (measured according to the definition of “building, height of” in section 14-47) shall be:

- 95 feet for the Charles Street Addition, as depicted on the Site Plan
- 70 feet for the New Parking Garage, as depicted on the Site Plan
- 45 feet for the Central Utility Plant, as depicted on the Site Plan
- 111 feet for the L. L. Bean Wing, as already constructed.

(b) ~~Height Limits—Future Expansions.~~ After initial construction described in subparagraph (a) above, the maximum structure height (measured according to the definition of “building, height of” in section 14-47) for any expansion of those buildings described in subparagraph (a) shall be:

- 130 feet for the Charles Street Addition
- 95 feet for the New Parking Garage
- 70 feet for the Central Utility Plant
- 145 feet for the L. L. Bean Wing

~~provided application for any such expansion is made no earlier than three years and no later than ten years from the effective date of this Agreement, and that the expansion is approved by the Planning Board under the site plan review provisions of Chapter 14, Article V and complies with all other applicable~~

~~ordinance provisions. Conceptual drawings of such future expansions are attached as Exhibit C.~~

(e)(a) Setbacks.

- The minimum setback of the New Parking Garage shall be zero (0) feet from the right of way line of Congress Street.
- The minimum setback of the southeast corner of the Charles Street Addition shall be five (5) feet from the relocated right of way line of Ellsworth Street, as depicted on Exhibit B.
- The minimum setback of the Central Utility Plant shall be five (5) feet from Gilman Street.

(d) Replacement Housing. The replacement of the two existing residential structures at 33 Crescent Street (identified as Map 53, Block E, Lot 2) and 37 Crescent Street (identified as Map 53, Block E, Lots 1, 10 and 13) containing a total of seven dwelling units and two single-room occupancies by a portion of the New Parking Garage shall be deemed to meet the requirements of section 14-137(c), provided that MMC shall comply fully with the requirements of section 14-483 (Preservation and Replacement of Housing Units). Specifically, MMC shall comply with section 14-483 by (i) converting the building at 325-329 Brackett Street identified as Map 54, Block D, Lot 7 (the last approved use of which was office space) into two dwelling units prior to the issuance of a certificate of occupancy for the New Parking Garage and then divesting itself of ownership of the building prior to the issuance of a certificate of occupancy for the Charles Street Addition and (ii) paying Three Hundred Fifteen Thousand Five Hundred Eighty dollars (\$315,580.00) into the CITY's Housing Development Fund (representing five dwelling units and two single-room occupancies) upon approval of the Site Plan by the CITY's Planning Board. The deadline for divestiture may be extended by the Planning Authority if MMC demonstrates that reasonable good faith efforts to market the property instituted at least 6 months prior to the deadline have failed to produce a bona fide offer at or above fair market value and on commercially reasonable terms.

(e) Sidewalks. MMC shall comply with the CITY's Brick District Policy Plan, except that, at the time of final site plan review, the Planning Board may approve the use of concrete sidewalk materials other than brick (but not bituminous) in locations where, as shown on Exhibit B 22, because of the particular needs or requirements of the hospital use, ~~the use of materials other than brick is appropriate.~~

(f) Street level uses in garage. The street level of the new parking garage may be used for any use allowed in the B-2 zone.

8.7. The Helicopter Landing Pad shall not be subject to the provisions of section 14-409 (Heliports), but shall be governed by the provisions of the Helistop Overlay Zone, sections 14-325 through 14-327), except as follows:

(a) Setbacks. Because it is to be located on the roof of an existing structure, the landing pad shall not be required to meet the setback requirements of Section 14-327(3) or the fencing requirements of Section 14-327(4).

(b) Flight routes. MMC shall identify preferred flight routes, to be approved by the CITY, designed to minimize noise impact of helicopter flights on surrounding residential areas, shall notify all flight providers likely to use the Helicopter Landing Pad of such preferred routes, and shall take the following measures to ensure that such preferred routes are utilized whenever weather conditions, safety considerations and the best interests of the patient being transported permit, with the expectation that this will be the usual case. MMC will instruct all providers which regularly use the Helicopter Landing Pad that pilots must file an exception report with the Air Medical Provider Administration of Lifeflight of Maine or its successor entity for operations modified for safety considerations or at the direct request of Approach Control at the Portland International Jetport. Logs of these exception reports will be made available to MMC and to the CITY every six months upon request. When and if the Portland Jetport has the capacity to maintain and preserve data which specifically identifies flight routes actually taken by aircraft using the Helicopter Landing Pad, the CITY may shall consult such data to review compliance with this paragraph, and MMC, upon request of the CITY, will be responsible for the CITY's reasonable costs of translating such data into useable form, but not for the costs of the flight monitoring. Initially, such preferred flight routes shall be as shown on the map attached to this Agreement as Exhibit D. At the initiative of either the CITY or MMC, the map of preferred flight routes may be amended from time to time by agreement between MMC and the City Council Planning Authority. The City Council Planning Authority shall may consult with the Portland International Jetport and may shall convene a neighborhood meeting to obtain input from residents of any affected residential areas before agreeing to any such amendment. In the event MMC and the Planning Authority are unable to agree on a change proposed by either, the proposed change shall be referred to the City Council for decision. An agreement between the parties to change preferred flight routes under this paragraph may shall include noise mitigation measures in addition to those described in paragraph 7(g) below provided the noise mitigation measures are recommended by an independent noise consultant. In the event the parties are unable to reach agreement, a decision by the City Council to change preferred flight routes under this paragraph may include a condition requiring noise mitigation measures in addition to those described in paragraph 7(g) below only if such noise mitigation measures are recommended by an independent consultant engaged as described in this paragraph. In addition, after one full year of operation of the Helicopter Landing Pad (measured from the date of the first patient transport flight to use the Helicopter Landing Pad), the City Council Planning Authority shall review the operation of the preferred flight routes and may initiate amendments to the map of preferred flight routes, following the procedures specified above. In connection with review or amendment of flight routes under this paragraph, the CITY may engage the services of an independent consultant and MMC will reimburse the CITY for its reasonable costs of obtaining such consulting services provided that the CITY, in advance of engaging the

consultant, affords MMC an opportunity to comment on the scope of the consultant's engagement.

(c) Fly Neighborly. In negotiating any contract or agreement with any provider of emergency medical transport by helicopter, MMC will require the provider to operate in compliance with the "Fly Neighborly Guide" revised February 1993, (and any subsequent revisions) prepared by the Helicopter Association International Fly Neighborly Committee and published by the Helicopter Association International. MMC shall establish a complaint number and a protocol for handling complaints, which shall be publicized within the neighborhood, and the complaints will be reviewed no less than quarterly by the Maine Medical Center Neighborhood Council, noted below.

(d) Helipad operating guidelines. Helicopter landings on the Helipad are approved for emergency patient care only. Any use of the Helicopter Landing Pad for other than emergency patient care transport shall be deemed a violation of this Agreement and shall result in the termination of the Helicopter Overlay. The following standard practices will be incorporated as general policy for operations in and out of the Maine Medical Center Helipad and shall be communicated by MMC to providers. At all times, the Pilot in Command (PIC) will determine safety of operations as a first consideration. Under normal operating circumstances, take-offs, landings and standing-by on the Helicopter Landing Pad shall be conducted according to the Operating Guidelines, attached hereto as Exhibit E, subject at all times to the judgment of the helicopter pilot concerning safety and to the judgment of the emergency medical personnel concerning the health of the patient.

(e) Equipment. In generating any specifications in connection with the negotiation of any contract or agreement with any provider of emergency medical transport by helicopter, MMC will specify that helicopters utilizing the Helicopter Landing Pad (with the exception of U.S. military or government aircraft) are relatively new turbine powered aircraft meeting requirements under ICAO Annex 16 Chapter 8 for in-flight noise levels and complying with FAA airworthiness standards, 14 CFR part 36.11 and 14 CFR 21 Sub-part D, or any amended or successor requirements or standards.

(f) Design and construction. The Helicopter Landing Pad shall be constructed as shown on Exhibit A.

(g) Mitigation. MMC will pay for the installation costs associated with the full installation of soundproofing improvements contained within Exhibit D, except in lieu of central air conditioning MMC will also pay for the installation of ventilation improvements to one or more rooms within each such dwelling unit as reasonable and appropriate as determined by the CITY. The CITY shall contract for such work and MMC shall be responsible for the costs associated therewith, plus a 10% administrative fee to be paid to the CITY. Before entering into any contract for such work, the CITY shall notify MMC and give MMC the opportunity to comment on the scope of the proposed work and the estimated cost thereof. The properties to be included under this provision are as follows: 879 Congress Street (Map 53, Block I, Lot 16), 921 Congress Street (Map 65, Block D, Lot 17), 925 Congress Street (Map 65, Block D, Lot 16) and 929 Congress Street (Map 65, Block, D, Lot 14). Such funds shall only be expended if the present owners of such buildings request such improvements no earlier than six months and no

later than eighteen months after commencement of the operation of the Helicopter Landing Pad. For a period of five years from the date of this Agreement, any new owner of the aforementioned properties may request such improvements no later than eighteen months after purchase of said property(s).

(h) Accreditation. The principal provider of air medical transport to MMC shall be accredited by the Committee on Accreditation of Medical Transport Systems or its successor agency. Providers using the helicopter landing pad shall be accredited by the Committee on Accreditation of Medical Transport Systems or its successor agency, unless special circumstances warrant a non accredited provider such as the Air National Guard, the U.S. Coast Guard or other users.

9. 8. Signage shall comply with the requirements of sections 14-336 through 14-372.5 of the City Code, except as otherwise approved by the Planning Board under Chapter 14, Article V.

10. 9. For the purpose of keeping surrounding residential areas apprised of its future development plans, and to address any neighborhood issues related to the operations of the MMC campus (including but not limited to complaints or operating issues with respect to the helipad and future planning and development programs associated with MMC), MMC shall, no less than quarterly, and with two weeks written notice, invite representatives of the Maine Medical Center Neighborhood Council to meet with designated representatives of MMC. For purposes of this requirement, the Maine Medical Center Neighborhood Council shall consist of two representatives of the Parkside Neighborhood Association, neighborhood, two representatives of the Western Prom Neighborhood Association, End neighborhood and two representatives of the Gilman/Valley Streets neighborhood. The City Manager neighborhood organizations shall designate the persons who shall serve on the Maine Medical Center Neighborhood Council. In the event there is no formal neighborhood organization, the City Council District Councilor shall designate the persons to serve on the Maine Medical Center Neighborhood Council.

11. 10. MMC, prior to occupancy of the Charles Street Addition, shall relocate the sewer serving 31 Crescent Street, as depicted on the Site Plan (Exhibit B). In addition, MMC shall provide two off-street parking spaces for use by the tenants of 31 Crescent Street for so long as 31 Crescent Street serves as a residential structure.

12. 11. MMC agrees that it will make the parking garage contemplated within this Agreement available for use by the public for snow ban purposes in a fashion similar to that required in its Congress Street/Forest Street parking garage. In addition, MMC shall permit require all of its vendors, contractors and subcontractors to utilize a parking garage or other approved parking area/facility for vehicles and truck parking during construction.

13. MMC agrees to divest itself of ownership of the following existing structures owned by MMC according to the following schedule:

~~Within 12 months after~~ Prior to the issuance of a certificate of occupancy for the Charles Street Addition:

- 15 Crescent Street (Map 53, Block F, Lot 6)
- 25 Crescent Street (Map 53, Block E, Lot 5)
- 25 Ellsworth Street (Map 53, Block H, Lot 2)
- 32 Ellsworth Street (Map 54, Block C, Lot 5)
- 20 Hill Street (Map 54, Block C, Lot 1)

No later than January 1, 2010 or the issuance of a certificate of occupancy for any of the future expansions described in Section 6(b) above, whichever is earlier:

- 19 Bramhall Street (Map 63, Block A, Lot 4)
- 23 Bramhall Street (Map 63, Block A, Lot 3)
- 25 Bramhall Street (Map 63, Block A, Lot 2)
- 31 Bramhall Street (Map 63, Block A, Lot 1)

The deadline for divestiture of any of such property may be extended by the Planning Authority if MMC demonstrates that reasonable good faith efforts to market the property instituted at least 6 months prior to the deadline have failed to produce a bona fide offer at or above fair market value and on commercially reasonable terms.

~~12.143.~~ MMC agrees that it will remove the existing building located at 261-269 Valley Street (formerly the "Eagles Club") within 12 months after the effective date of this Agreement and that the site of the removed building will be loamed and seeded unless and until otherwise developed pursuant to an approved site plan.

153. MMC shall provide landscaping of the area surrounding its Vaughn Street parking lot as shown on the landscaping plan attached hereto as Exhibit G and shall construct, maintain and continue to own the "pocket park" located at Ellsworth and Charles Streets as shown on the Site Plan (Exhibit B). The improvements to the Vaughn Street parking lot shall be completed within 12 months of the effective date of this Agreement.

~~1416.~~ MMC will utilize its best efforts to obtain necessary consents/releases from property owners abutting the 20-foot wide passageway shown on Map 53, between Blocks E and F as leading from Crescent Street to Congress Street, bounded by Map 53, Block F, Lots 6 and 1, and Block E, Lots 7 and 8. If MMC or the CITY is able to obtain such necessary consents/releases, MMC will construct a stairway/landscaped walkway within the 20-foot wide passageway connecting Crescent Street to Congress Street, provided that, prior to such construction, the CITY agrees to accept such improvements as a public passageway when they are complete and provided MMC shall have no responsibility for maintenance of such improvements and no liability arising out of the use of such improvements by the public. In addition, MMC agrees to allow public pedestrian access between its campus and Congress Street through the a new enclosed stairway to be constructed adjacent to the New Parking Garage, as depicted on Exhibit B.

17.15. MMC shall contribute \$~~9300,000.00~~800,000 to the CITY to use for public improvements in the general vicinity of Maine Medical Center.

18.16. MMC agrees that it will encourage its employees and visitors to use alternatives to single-occupant automobiles when traveling to and from the PROPERTY. In its application under the Site Plan Ordinance, MMC agrees to include among its written statements an Alternative Transportation Plan. The Alternative Transportation Plan will propose strategies to reduce single-occupant automobile trips to the PROPERTY. Such strategies shall include, but not be limited to, subsidies and other incentives for employees and visitors to use local and regional mass transportation, share rides (carpools and vanpools), ride bicycles and walk. The Planning Board will include the Alternative Transportation Plan in its consideration of sections 14-526(a)(1) and (2) of the City Code. In addition, an analysis of effectiveness and functioning of the Alternative Transportation Plan shall be provided to the City Council's Transportation Committee on an annual basis.

~~2019.17.~~ The above restrictions, provisions and conditions are an essential part of the rezoning, shall run with the PROPERTY, shall bind and benefit MMC, its successors and assigns, and any party in possession or occupancy of the PROPERTY or any part thereof, and shall inure to the benefit of and be enforceable by the CITY, by and through its duly authorized representatives. Within 30 days of approval of this Agreement by the City Council, MMC shall record a copy of this Agreement in the Cumberland County Registry of Deeds, along with a reference to the book and page of the deeds to the property underlying said PROPERTY. Unless otherwise stated within this Agreement, this Agreement governs only the PROPERTY expressly covered by this Agreement and applies only within the boundaries of the rezoned area as shown on the map. Nothing in this Agreement shall have any effect on or be construed as having any bearing on the use or development of any other properties owned by MMC or its affiliates, all of which shall continue to be governed by the applicable provisions of the Portland Land Use Code, without regard to this Agreement.

210.18. If any restriction, provision, condition, or portion thereof, set forth herein is for any reason held invalid or unconstitutional by any court of competent jurisdiction, such portion shall be deemed as a separate, distinct and independent provision and such determination and shall not affect the validity of the remaining portions hereof.

221.19. Except as expressly modified herein, the development, use, and occupancy of the PROPERTY shall be governed by and comply with the provisions of the Land Use Code of the City of Portland and any applicable amendments thereto or replacement thereof.

232.20. This conditional rezoning agreement shall be enforced pursuant to the land use enforcement provisions of state law (including 30-A MRSA 4452) and CITY Ordinance. No alleged violation of this rezoning Agreement may be prosecuted, however, until the CITY has delivered written notice of the alleged violation(s) to the owner or operator of the PROPERTY and given the owner or operator an opportunity to cure the violation(s) within thirty (30) days of receipt of the notice. Following any determination of a zoning violation by the Court, and in addition to any penalties authorized by law and imposed by the Court, either the Portland Planning Board on its own initiative, or at the request of the Planning Authority,

may make a recommendation to the City Council that the Conditional Rezoning be modified or the **PROPERTY** rezoned.

243.21. In the case of any issue related to the **PROPERTY** which is specifically addressed by this Agreement, neither **MMC** nor their successors may seek relief which might otherwise be available to them from Portland's Board of Appeals by means of a variance, practical difficulty variance, interpretation appeal, miscellaneous appeal or any other relief which the Board would have jurisdiction to grant, if the effect of such relief would be to alter the terms of this Agreement. In cases that fall outside of the above parameters (i.e., alleged violations of any provisions of Portland's Land Use Code, including, but not limited to, the Site Plan Ordinance, which were neither modified nor superceded by this Agreement), the enforcement provisions of the Land Use Code, including, but not limited to, the right to appeal orders of the Planning Authority, Building Authority and Zoning Administrator shall apply. Nothing herein, however, shall bar the issuance of stop work orders.
