Re: Congress Street Medical Office Building

Dear Rick

This is written in response to a comment in your letter dated August 7, 1998 and concerning the revised parking plan for the above-mentioned project.

The revisions to the parking plan will in no way affect the intent of MMC to provide Sea Dog parking and resident snowday parking.

If there are any questions, please contact this office.

Sincerely,

*Paul D Gray*  
Paul Gray  
Senior Vice President, Planning
