Subject: Demo of 9-11 Wescott Street

2013-02723 - 053-H-001

Hi Chris,

I have been reviewing your permit to demolish 9-11 Wescott Street. I did not see any submitted paperwork from the Planning authority concerning the Replacement Housing Ordinance. I need to put your permit on hold until there is an approval from the Planning Authority approving the demolition.

I will be alerting the Planning Authority concerning your request. If you do have a letter approving the demolition as far as the Replacement Housing Ordinance, please submit it as soon as possible.
