Received two phone calls from a resident in the area that stated that there was a farm stand (operating out of a bus) at that location on Fridays. She said that there was a sign saying no parking, Maine Medical Center. She spoke to the Grounds Department (662-8065) and was told that the farm stand operated on Fridays.

I spoke to Bob Cloutier, head of the Grounds Department for Maine Med. Although Maine Med does not own the property they seem to have some tie to it. He told me that the farm stand/bus had been operating every other Friday for about a year. I told him that it was not a permitted use. He said that he would get a hold of the operator and let them know.
