The Administrative Authorization for the wireless installation at 794 Congress Street was approved by Barbara Barhydt, Development Review Services Manager on November 9, 2012 with the following conditions of approval listed below:

1. The site is within an historic district, so the applicant must obtain an approval for the installation under the Historic Preservation Ordinance prior to the issuance of a building permit.
2. The applicant shall obtain all required City Permits, including permits under the building permits from the Inspection Division (874-8703) and any other permits required from the Department of Public Services (874-8801) prior to the start of any construction.
