Hi Jacques,

I am in the process of reviewing your building permit for 772 Congress St. I have a question, because I want to be sure I understand the scope of work. Is the basement currently used as office space, or was it used for storage or something else? Thanks for your help in clarifying this.

Yours,
Chris

Hi,
right now it is partially storage area, a small office and an employee rest area (like a place for lunch).

hope this helps. thanks
