1. This permit application doesn't preclude the Applicant(s) from meeting applicable State and Federal rules.
2. Building permits do not include plumbing, septic or electrical work.
3. Building permits are void if work is not started within six (6) months of the date of issuance. False information may invalidate a building permit and stop all work.

COMMENTS

3/4/94: Electrician on site, no one would answer the door. I left a card for them to call me.

3/13/94 Inspection of Bmnt. ground temp. pack studied and suggested need to replace w/ better return. Bmnt in good condition. Contractors to permit new drawings re: requirements are not over close to existing conditions. There are existing problems - can't put through first floor unit.

Client want return calls. Will split final inspection
