

- 173 Neal Street, Building and Parking Lot
- Iron & Wood (tenant) parking area
- Private parking – landlord use

**Plot Plan + Parking for 173 Neal St. Change of Use/Certificate of Occupancy Application #201602841**

Vehicles will enter/exit the parking area from Neal Street.

Iron & Wood parking to be used for one 1-3 automobiles during work hours. Deliveries of materials by trucks would not occur often (perhaps 1x/ month), and these delivery trucks would not be very large—a midsize flatbed delivering lumber would be the largest.
