 Other buildings on same lot _____
 Estimated cost \$ 50.00 Fee \$.50

General Description of New Work

To put new shed roof above existing flat roof of side entrance porch 3' x 6'

rafters are to be 2x4 24" o.c. -pitch 1" in 12" - 4 rafter

Mr. Harradon property abuts a right-of-way 9 1/2' wide extending about 50' in from street line. Side of porch apparently is close to lot line. Because of only slight increase in height decided to issue permit. Roof is being given more pitch to provide better drainage.

It is understood that this permit does not include installation of heating apparatus which is to be taken out separately by and in the name of the heating contractor. **PERMIT TO BE ISSUED TO** owner
