

Portland Fire Department

12/6/12

Plan of Action

10 Walker Street, Portland

Wanted to file a plan of action for the repairs noted in the attached letter

Would like to request 12 months to complete the repairs due to financial distress

Drywall repairs will be completed.

Some Fire doors have been installed, some of the hallway doors are just for appearance

and have drywall on backside

will discuss with my contractor regarding historic significance

If you have any questions or concerns please contact me

Thanks
