Subject: Demolition Permit for 19 Dow Street

Good morning Kevin,

I am in the process of applying to the City for a demolition permit for 19 Dow Street in Portland. The traffic Division is the last item on my application that I need a signoff. All others have been completed. I have called the number on the application and left a message. I am now reaching out to you, the supervisor, to see if I can make some headway with this last item so that I may submit the application for permit to the city.

My office number is 854-8876. My cell number is 838-1000. Please contact me, as I would like to wrap this paperwork up and submit the permit application.

Thank you ,

Anthony J. Cimino
