To Whom It May Concern,

I am writing to request a permit to add three bedrooms and two bathrooms in the basement level of 20 Dow St. This finished square footage will continue to be part of the first floor unit. We are also requesting a permit to add an exterior door in the rear of the building on the first floor level onto the existing deck. As well, we are proposing the removal of a load bearing wall between the existing kitchen and the existing two bedrooms on the first floor. Gebhardt Property Management is the general contractor for this job so please feel free to contact me with any questions.

Sincerely,

*Tim Gebhardt*
