Dear Tori Ross~

The grill and the tenant are gone, Code 55.511. My leases do not allow grills on the decks. She won it in a raffle and it was never used.

I did get in contact with two contractors I have used who can install the doors over time. I am retired with a fixed income, and as my wife said we need to figure out to make this happen financially.

I proposed to replace seven doors in the halls to the apartments and basement over the next year by August 1, 2017, Code 80.37.

Sincerely,

James L. Fisk, MLLA, TPI
