Regarding: Sign Application

To Whom It May Concern:

It has become apparent to us that pet owners have difficulty finding our building. To remedy this situation I would like to use an existing sign that sits perpendicular to the front of the building, that is, paint the face of it with the name and clinic logo. This I would then use in place of the 2nd sign I was approved to put up, keeping the total signage approximately the same. The long term plan would be to eventually replace the existing sign with a smaller, more attractive one.

Please feel free to contact me with any questions you have regarding this situation. Thank you for your help.

Sincerely,
John Flood DVM
