Condominium Conversions

The permit fee is \$25.00 per unit. There is an additional fee for any building alterations.

Condo conversions are not a change of use, they are a change of ownership. It concerns the ownership of building areas not land. Subdivision is not involved. Only the legal number of units may be condominiumized. Any illegal units shall be removed or made legal by proper permitting.

The purpose of this ordinance is to protect existing tenants and to ensure that converted housing is safe and decent.

Notice of intent to convert: All tenants shall be given a minimum of 120 days before the tenant is required to vacate. A tenant of more than 4 consecutive years shall have the minimum notice period increased 30 days for each additional year to a maximum of 240 additional days.

0-4 years = 120 day notice	9 years = 270 day notice

6 years = 180day notice	11 years = 330 day notice
7 years = 210 day notice	12+ years = 360 day notice - (maximum)
8 years = 240 day notice	

60 days after their notice, the tenant has an exclusive an irrevocable option to purchase the unit that the tenant possesses. For the next 180 days, the developer/owner can not offer a more favorable price or terms to any other person unless the same terms are offered to the original tenant.

Relocation payments: If the tenant does not purchase, the developer shall (before the tenant vacates) make a cash payment to the tenant in the amount of rent for the proceeding two (2) months only if the tenant meets the current 80% of the low/mode income, adjusted for family size, as given to the City of Portland by the Federal Government. Additionally, the developer shall provide other assistance to the tenant in the form of reasonable accommodations, referrals, and determining tenant eligibility.

In doing this we are required to follow the City of Portland's land use ordinance Article VII. on Condominium Conversion. The following information spells out the guidelines for the "Protection of tenants" as described in Sec. 14-568 and Sec. 14-569:

The developer shall give to each existing tenant written notice of intent to convert at least 120 days before the tenant is required by the developer to vacate. If a tenant has been in possession of any unit within the same building for more than four consecutive years, the notice shall be increased by 30 additional days for each additional year, or fraction thereof, to a maximum of 240 additional days. The notice shall set forth the rights under these sections and contain the following statement: "If you do not buy your apartment, the developer of this project is required by law to assist you in finding another place to live and in determining your eligibility for relocation payments. If you have questions about your rights under the law, or complaints about the way you have been treated by the developer, you may contact the Building Inspection Division, Department of Planning and Urban Development, City of Portland, 389 Congress Street, Portland, Maine 04101 (telephone: 775-5451)."

No tenant may be required by a developer to vacate without having been given notice as required herein, except for reasons specified in the applicable law of forcible entry and detainer, and in accordance with the procedures thereof. The terms of tenancy, including rent, may not be altered during the notice period, except as expressly provided in a preexisting written lease. If, within 120 days after a tenant is required by a developer to vacate, the developer records a declaration of condominium without having given notice as required herein, the developer shall be presumed to have converted in violation of this article.

Option to Purchase. For a sixty-day period following the giving of notice as required by this ordinance, the developer shall grant to the tenant an exclusive and irrevocable option to purchase their unit. This option may not be assigned. If the tenant does not purchase or contract to purchase their unit during the sixty day option period, the developer may not convey or offer to convey the unit to any other person during the following 180 days at a price or on terms more

favorable than the price or terms previously offered to the tenant, unless the more favorable price or terms are first offered exclusively and irrevocably to the tenant for an additional 60 day period. **Relocation Payments** -- If the tenant does not purchase the unit, the developer shall, before the tenant is required by the developer to vacate, make a cash payment to the tenant in an amount equal to the amount of rent paid by the tenant for the immediately preceding two months; provided that this requirement shall not apply to any tenant whose gross income exceeds 80% of the median income of the Portland SMSA, adjusted for family size, as determined by the U.S. Dept. of Housing and Urban Development at the time the notice is given as required in Section 14-568(a). Additionally, the developer shall, upon demand, provide assistance to the tenant in the form of referrals to other reasonable accommodations and in determining the tenants eligibility for relocation payments as provided herein.

We realize you will have many questions and concerns about this process. Please feel free to talk with me about them and we will do whatever we can to answer them.

If you have interest in purchasing your unit in "as is" condition or for the price at which we plan on selling it after it is renovated, please let me know about your interest and we can discuss it further.
