If so, you do NOT need to provide any plans, etc, just the application form.

(NOTE: a final inspection is still a requirement)

- Information on how the unit is being vented & hanging details if appropriate.
- Details of the specific equipment being installed; ie; specifications and any heating technical specifications. (Often this information can be obtained from the manufacturer's spec sheet or retail advertisements.)

- Proof of ownership is required if it is inconsistent with the assessors records.
- All documents as individual PDFs and named appropriately
