Dear Ms. Schmuckal,

I write requesting a permit for home occupation at my residence, 150-152 Clark Street. I intend to open a small hair salon in accordance with all State Laws and Rules set forth by the Board of Cosmetology and Barbering. Primarily, I would service neighborhood clients. Hairdressing (limited to no more than two (2) hair dryers is an acceptable home occupation listed under item (2) of Section 14-410 of the Portland Code. My home occupation will meet the criteria enumerated under item (1) of that code as follows.

- a. My salon will occupy approximately 181 square feet (less than 10%) of the floor area of my house.
- b. No products will be visible from the exterior of the house.
- c. Storage of the necessary products and tools will be incorporated into the space listed above.
- d. Any external signage will be well within the stated limits and properly permitted.
- e. No exterior alterations are needed to conform with this or the Board of Cosmetology and Barbering codes.
- f. As I will only be working alone, and since most clients will be from this neighborhood, no additional parking will be required.
- g. There will be no objectionable effects resulting from my home occupation.
- h. I will not require any additional employees.
- i. Because most clients will be local clients, no appreciable traffic will be generated by my salon.
- j. My salon will not require any heavy vehicles at all.

My salon will not interfere with the residential character of my neighborhood, and will only enhance it. It is in conflict with no part of the code or the architecture of the house.

Attached you will find a sketch of the floor plan with the dimensions. Thank you so much! I appreciate your help in acquiring a permit for a home occupation!

Sincerely,

Nancy N. Flagg
