Secure your home and family with Therma-Tru's value-priced Traditions steel door.

Our opaque doors without glass come with a 20-minute fire rating. All doors are available in ready-to-paint decorative designs that come with a tough 24 or 25-gauge smooth steel surface and a polyurethane foam core for durable energy efficiency. Traditions steel doors feature a solid wood lock block for secure mounting of hardware, decorative glass options, and a five-year limited warranty.

You can select from 6'8" or 8' heights to best fit your home's architecture. 20 min fire-rating is available for 6'8" height doors only.

Steel Entry Door Systems: Traditions

About this entry door system

This entry door system is available with different features. The table below breaks down the various product options by size and available features. You should work with an authorized Therma-Tru dealer and/or your builder to determine the best option for your home based on environment and region of the country.
