Good Morning Doug and Mr. Fitzgerald,

It has come to our attention that the due date has come for the abandonment of this permit application. In the email below, sent on 2/25/16, the date of 4/23/16 was established as the final date for consideration of this application to be deemed actively pursued. We have not received any further plans or information, therefore per IBC Sec. 105.3.2 the time limitation has now expired and the review of this application has now ceased.

A new application will need to be submitted for any proposed work at this property. Feel free to contact me if you have any questions.

Respectfully,

Jeanie Bourke
