To Whom It May Concern,

Please find attached my General Building Permit Application, and e-signature form. After several failed attempts to send all attachments with this email, I am sending additional attachments separately. I am seeking permission to proceed with opening a small child care facility for no more than 12 children in the vacant store front at 237 Spring Street. The Zoning board has approved my Conditional Use. I have no plans to do any construction, electrical or plumbing changes to the property.

Thank you for your time and assistance.

Sincerely,
Lorna M. Leo
